

W+B afternoon stroll in the Hardwald

Wednesday 15. May, 2 pm to approx. 5 pm

for members & friends of Wohnen+ Basel

Dear Members and Friends, you are cordially invited to join us for a leisurely stroll through the Hardwald forest – a short way upstream along the River Rhine. The Hardwald is a peaceful forest oasis on the outskirts of the city and a popular local recreation area. The mature trees, featuring beautiful oaks, are attractive to a wide variety of animals. They also make ideal nesting sites for numerous bird species. Walking the 6.5 km hike will take us about one and a half hours, leading us along flat and easily accessible forest paths. There are plenty of opportunities to take a short break on benches lining the route.

We will stop for coffee and cake at the [Waldhaus](#) restaurant, allowing us to take in beautiful view of the Rhine before returning to the Hard tram stop about half an hour later.

Don't forget: to bring clothing suitable for whatever the weather promises and some water to keep you hydrated through the day.

Meeting Point: 14.00 Uhr, Birsfelden, Hard, Tram Nr. 3 Terminus

It's really easy: The tram no. 3 runs directly from Westfeld to the Birsfelden Hard terminus – the start and end point of our afternoon hike.

Registration is not necessary.

The hike takes place in all weathers.
