

Leisurely Spring Hike to Visit the Three Virgins

From Schönenbuch via Wentzwiller (F) to the "Les Trois Vièrges"

"*walk & talk*" for members & friends W+ B

Saturday, 26 April 2025, 10.45 a.m.

This month's hike is through fields and forests on level paths from Schönenbuch via Wentzwiller (F) to the pilgrimage chapel "Les Trois Vièrges" and back. About two to three hours in all.

From the Schönenbuch Dorf bus stop, the path leads us down to the French border and up through fields to the quaint village of Wentzwiller. From there, we walk along a footpath through the forest to the pilgrims route. Votive plaques of the "Les Trois Vièrges" chapel come into view on both sides of the path. The forest chapel itself is set in a tranquil glade, and it is here that we pause for lunch as we take in the serenity of the local surroundings.

Rested and refreshed, we continue our hike through the forest and along the golf course back towards Basel.

At the end of our excursion in Schönenbuch, we will have the opportunity to chat about the day's events over coffee or a cold drink and cake.

From here you can choose how and when to go home. Bus 33 departs Schönenbuch Dorf for Basel every half hour at 12 and 42 hours past the hour.
